October 2023 Market Update

In this edition of our quarterly Market Update video, Chief Investment Officer Mike Vogelzang discusses three long-term trends that are already shaping investment strategies today: demographics, deglobalization, and digital transformation. Watch to learn how these trends are impacting the markets and economy today, and what CAPTRUST is watching as we look into the future.

In this edition of our quarterly Market Update video, Chief Investment Officer Mike Vogelzang discusses three long-term trends that are already shaping investment strategies today: demographics, deglobalization, and digital transformation. Watch to learn how these trends are impacting the markets and economy today, and what CAPTRUST is watching as we look into the future.
